From Your Pastor

I set some time aside on a recent Saturday to care for our houseplants. It was a beautiful day for this type of project.

Turns out, many of our houseplants needed some attention. One needed to be moved because it was not receiving enough light. One had gotten leggy and needed to be pruned to spur healthy growth. Others had sick or dead leaves that needed to be trimmed.

It was also time to do some repotting. Sometimes new soil is just the thing to spark revitalization. We also had several cuttings that had begun to root, so I wanted to get them into appropriate pots and good soil. One plant was root-bound; it needed more space to grow and flourish.

A little care goes a long way with houseplants.

This is true for our lives as well. Jesus said that he came so that we could have life and have it abundantly. (John 10.10) One of our tasks is to open our hearts and lives to Jesus. This can prepare us for healthy growth in our spiritual lives.

Remember – a little care and attention can go a long way. Let's encourage one another along this path.

Blessings,
Ande

Ministry Team

Rev. Ande Myers. Senior Pastor
