### *Nearing Home: Life, Faith, and Finishing Well*

This deeply personal memoir written by Billy Graham in his nineties explores how our strength can continually be found in the foundational truths of Scripture and inexhaustible love of Christ, despite the many trials of aging and the approaching end of our earthly time.

“When granted many years of life, growing old in age is natural, but growing old with grace is a choice,” says the author.

Please notify the church office if you would like a copy of the book.  
Books are \$10.

## Praying

This is how we know love: Jesus laid down his life for us, and we ought to lay down our lives for our brothers and sisters. But if someone has material possessions and sees a brother or sister in need but refuses to help—how can the love of God dwell in a person like that? Little children, let's not love with words or speech but with action and truth. 1 John 3:16-18
