From Your Pastor

Worship is a significant part of the ministry of Central Baptist Church, and offering different worship experiences for our community has been a priority.

We began a search for our contemporary worship leader more than a year ago and pursued this search without positive results. Over the last few months, we have re-engaged the search for a part-time praise and worship leader. Along the way, the Administrative Council and the Personnel Committee have been informed of the prospects. Currently, we are in the final stages of securing a worship leader for this important ministry.

As we approach the conclusion of our search process, this exciting development has raised several questions about the implications of having two services once more. We will need your assistance to address these questions.

Questions on service times, as we will be using a staggered model. Questions regarding the scheduling order. Questions about volunteer needs and nursery schedules.

In the coming weeks, we will be seeking your input and feedback on these questions. Please share your thoughts. During this exciting time, I also ask that you pray for our church as we begin planning for this opportunity.

Blessings,
Ande
