From Your Pastor

Last fall, we resumed our search for a part-time praise and worship leader. After reviewing resumes, making phone calls, and having the candidate meet with the search team as well as a group of members that are engaged in our contemporary worship efforts, we believe we have found the right candidate in Amy Hall. We are impressed by her love for the local church, her desire to lead worship, and her talents in developing a praise team. We found her to be a gifted vocalist who plays both the keyboard and acoustic guitar. We are excited to work with Amy as she will soon share her gifts and talents with us as we take a new approach to contemporary worship. We hope to have Amy begin work in April, with the goal of re-engaging a contemporary worship service in June.

All this has led us to seek feedback on our Worship Services. 173 of you have shared your insights on schedules, locations, and other related matters. Thank you so much for your thoughtful input. We will consider this and formulate a plan to integrate all the worship services into our schedule in a way that allows me to preach in both services.

We have consistently said that having two types of worship is important at CBC. This commitment will require all of us to adapt in various ways. Our desire is to create a variety of opportunities for people to worship and hear the Good News. Please keep this endeavor in your prayers as we work to bring the Good News to the community.

Blessings,
Ande
