From Your Pastor

Our family recently celebrated five years of service at Central Baptist of Fountain City. How time has flown!

When I reflect on our time together, I am filled with wonderful memories. I appreciate the warm welcome we received a few short years ago and the ministry we share. I remember the days spent on service projects and our mission trips to North Carolina for disaster relief. I think of the books we have read, the laughs we have shared, the songs we have sung, the Good News we have shared, the prayer and conversations we have had, and the worship we have enjoyed together. I am happy to be your pastor and feel fortunate for this wonderful calling.

Two weeks ago, during worship, you officially recognized my five-year milestone and presented me with a thoughtful card. Inside was a check calculated using a formula involving my time served and pay rate. This practice was established by the Personnel Committee a few years ago after they carefully deliberated on how to provide bonuses to employees at the five, ten, fifteen, and twenty-year marks. As a recipient of this bonus, I sincerely appreciate the committee's consideration and generosity.

Looking back, the churches I have been a part of have been among the greatest blessings of my life. I hope you feel the same way, especially here at Central. Reflecting on Peter's encouragement to the early church, we have so much to be thankful for. Jesus is the reason for our hope; let's share that message with the world.

Blessings,
Ande
